People**

Who are we?

There is a countywide team of specially trained staff who are based at our offices in Abingdon.

Staff have a wide experience of all issues related to Visual Impairment.

Staff will make appointments to see you at the office or in your own home.

How can we be contacted?

Either directly by you, your friends or family, or through your GP, Eye Specialist, Care Manager or anyone else who knows your circumstances.

You do not need to be formally registered as Severely Sight Impaired or Sight Impaired to contact us.

If you would like someone to call to see you or talk with you on the telephone, please contact us (see back of leaflet).

What do we do?

We are trained to:

- Assess
- Advise
- Support
- Teach
- Inform

people of all ages with sight problems.

We can also put you in touch with MyVision Oxfordshire, and with other associations who help in various ways.
