Subject: Representaion from Woodsotck Town Council

Woodstock Town Council at their meeting of Tuesday 14th March 2017 reaffirmed their previous comment and agreed the following recommendations:-

- (a) Explore the possibility of the Cotswold Line being used for transportation of sand and gravel extraction.
- (b) Ask OCC to use every measure possible to reduce the number of trips to Slape Hill waste transfer station.
- (c) Support policy MS(j) keeping extraction sites away from Blenheim Park
- (d) Woodstock Town Council is against Fracking

Ann Grant
Acting Town Clerk
Woodstock Town Council
