Subject: Re: Oxfordshire County Council - Publication of Minerals and Waste Local Plan: Core Strategy

Dear Peter Day

Thank you for reminder to respond to the consultation on OCC Minerals and waste local plan core strategy.

Council met on the 3rd September and agreed in principle to the strategy and in particular that any existing sites should be use to extract minerals and sand rather than exploit new sites.

Please acknowledge receipt of our response.

Regards

Tian Davidson

Clerk of Hinton Waldrist Parish Council
