To: Minerals and Waste Plan Consultation - E&E
Subject: Minerals and Waste Local Plan

Dear sir.

The Berrick and Roke Parish Council are active members of PAGE and I write as Chairman of the Parish Council.

We have had the thrust of the report prepared by Gardner Planning explained to us and we share the concerns of PAGE who represent our interests and views on this matter.

We also support the submission of John Taylor - the Chairman of PAGE -made as part of the public consultation on the issues involved.

Ian Glyn
Chairman Berrick and Roke Parish Council
