After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

It is considered that Oxfordshire County Council has engaged constructively, actively and on an ongoing basis with Bracknell Forest Council on minerals and waste issues that have an impact on this Authority.

Through the Duty to Co-operate process there has been an exchange of data and discussion. This has resulted in a better understanding of the evidence upon which certain policies are based.

This Authority has no objection to the Plan and is pleased that Policy W6 (Landfill) now includes reference to making provision for the disposal of non hazardous waste from Berkshire.
