

OXFORDSHIRE COUNTY COUNCIL

Road Traffic Regulation Act 1984 - Section 16A

**OXFORDSHIRE COUNTY COUNCIL
(WOODSTOCK STREET FAIR)
(SPECIAL EVENT) ORDER 2024**

STATEMENT OF REASONS

The annual Woodstock Charter Fair is to be held on the public highway in Market Street, Market Place, Park Street and High Street. It is promoted by Justin Gargan, Ubico Ltd for West Oxfordshire District Council, Avenue 4 Station Lane, Witney, OX28 4BN. The County Council is satisfied it is not practical to hold the event other than on the road.

From 6 October to 9 October 2024 inclusive it is proposed to manage vehicular traffic as specified in the Notice of Proposal and Schedule to the Order which accompany this document. This will involve Prohibition of Through Traffic, Prohibition of Waiting, and some relaxation of waiting prohibitions in roads in the town centre.

The measures will reduce danger to the public by prohibiting vehicles from the event area and regulate surrounding road use to facilitate the safe passage of traffic and pedestrians.
