Hi [Redacted]

To confirm I am happy with the wording - as per ANPR consultation SCAS supports the introduction of ANPR camera's as this allows unobstructed movements around Oxford city whilst still supporting the concept of LTN's.

Thanks.

With regards,

Subject: RE: Emergency Services East Oxford TRO consultation

Hi [Redacted],

Please find below a summary of your feedback in the meeting today, please advise if this is accurate and then I will share it with the research company to summarise in our consultation report. Can you let me know by close of play today?

SCAS – happy to support the project; see health and wellbeing benefits; value ongoing engagement; meet regularly with OCC and relevant councillors.

Kind regards
