

# All about me!

My Axolotls are important to me

I like fire-bellied newts, turtles and tortoises.....

Also my mum, the dogs and my brother xxx are important to me.

I am good at Science and swimming

I find classes difficult although I enjoy it when I go in. I like to talk to

xxxx (key worker)  
her.

most of all and go to classes with

I like seeing xxxx (movement therapist) and going to the brook and canteen.

I enjoy everything about school!

At home I like to work in the local restaurant kitchen, sailing, playing on the PS3, feeding my animals and playing with them.

I would like to achieve C and above in my GCSEs, hopefully stay on for 6<sup>th</sup> form with xxx (as my key worker) but otherwise go to college.

I love going for walks at school and walking to the cow field. I really enjoy swimming, going into Thame and Maidenhead Aquatics.

In the future I would like to open a family friendly and very kind pet centre; maybe a herpetological centre or be a marine biologist.

Who completed this section: Spoken by xxxxx written up by xxxxxxxxxxxxx

Relationship to the child or young person: Key worker
